*Producer:*

*Variety:*

**GEROVASSILIOU MALAGOUZIA**

**2003**

**MACEDONIA, NORTHERN GREECE**

Evangelos Gerovassiliou (yer-oh-vah-see-lee-oh) is regarded as the leading figure in the Greek wine industry during the last 20 years. He was the first to cultivate this near-extinct variety.

### **Tasting notes:**

This complex, medium-bodied wine has aromas of melon, flowers and spices and flavors of apples, pears and apricot. Its rich, intense character will satisfy palates accustomed to other complex, satisfying varietals such as Viognier.
