

GREEK WINES OF M.S. WALKER

ANCIENT VINES • MODERN WINES

Producer:

LYRARAKIS

Name:

PLYTO

Vintage:

2002

Region: **CRETE**

Variety: **100% PLYTO**

The Lyrarakis family revived this near-extinct variety found growing wild on their estate in Alagni. The origins of the grape are unknown but wine has been made in the region since Minoan times, approximately 3,600 years ago.

Tasting notes:

This wine has aromas of fresh apples and peaches, a gentle, fresh palate with a lively finish and slightly bitter end notes. Pairs well with cheese and cream sauces.
